- » Other keywords: best practices, socio-economic impact, explore national opportunities, links to other RIs & trans-national stakeholders, visibility
- » Past achievements (SERSCIDA, DASISH, DwB...)

» Objectives

- » A representation of the development path for ERA Social Science Data Archives
- » to design and make available a number of development support products and services
- » to support the creation of national action plans, deploying the support packages
- » to undertake actions to further the global outreach of CESSDA and international exchange

» Workpackages

- » WP1 Management and Administration
- » WP2 Dissemination & Communication
- » WP3 Strengthening and widening through planning and engagement (top down)
- » WP4 Strengthening and widening through knowledge exchange (bottom up)
- » WP 5 Global engagement

WP2 Dissemination and Communication

- » Knowledge-sharing platform for ERA data archives (Task 2.1)
<http://multiweb.gesis.org/csaw/#!Home>
- » Web and other communication (Task 2.2)
 - » Web: <http://cesdasaw.eu/>
 - » Deliverables: <http://cesdasaw.eu/deliverables/>
 - » Basecamp
 - » GDrive:
https://drive.google.com/folderview?id=0B59XvsriHMmCWIN3c1hyR2hjSk0&usp=drive_web
- » Dissemination Events and Stakeholder Workshops (Task 2.3)
- reports available
- » Questions:
 - » What will happen with internal communication channels and its content (e.g., GDrive)?

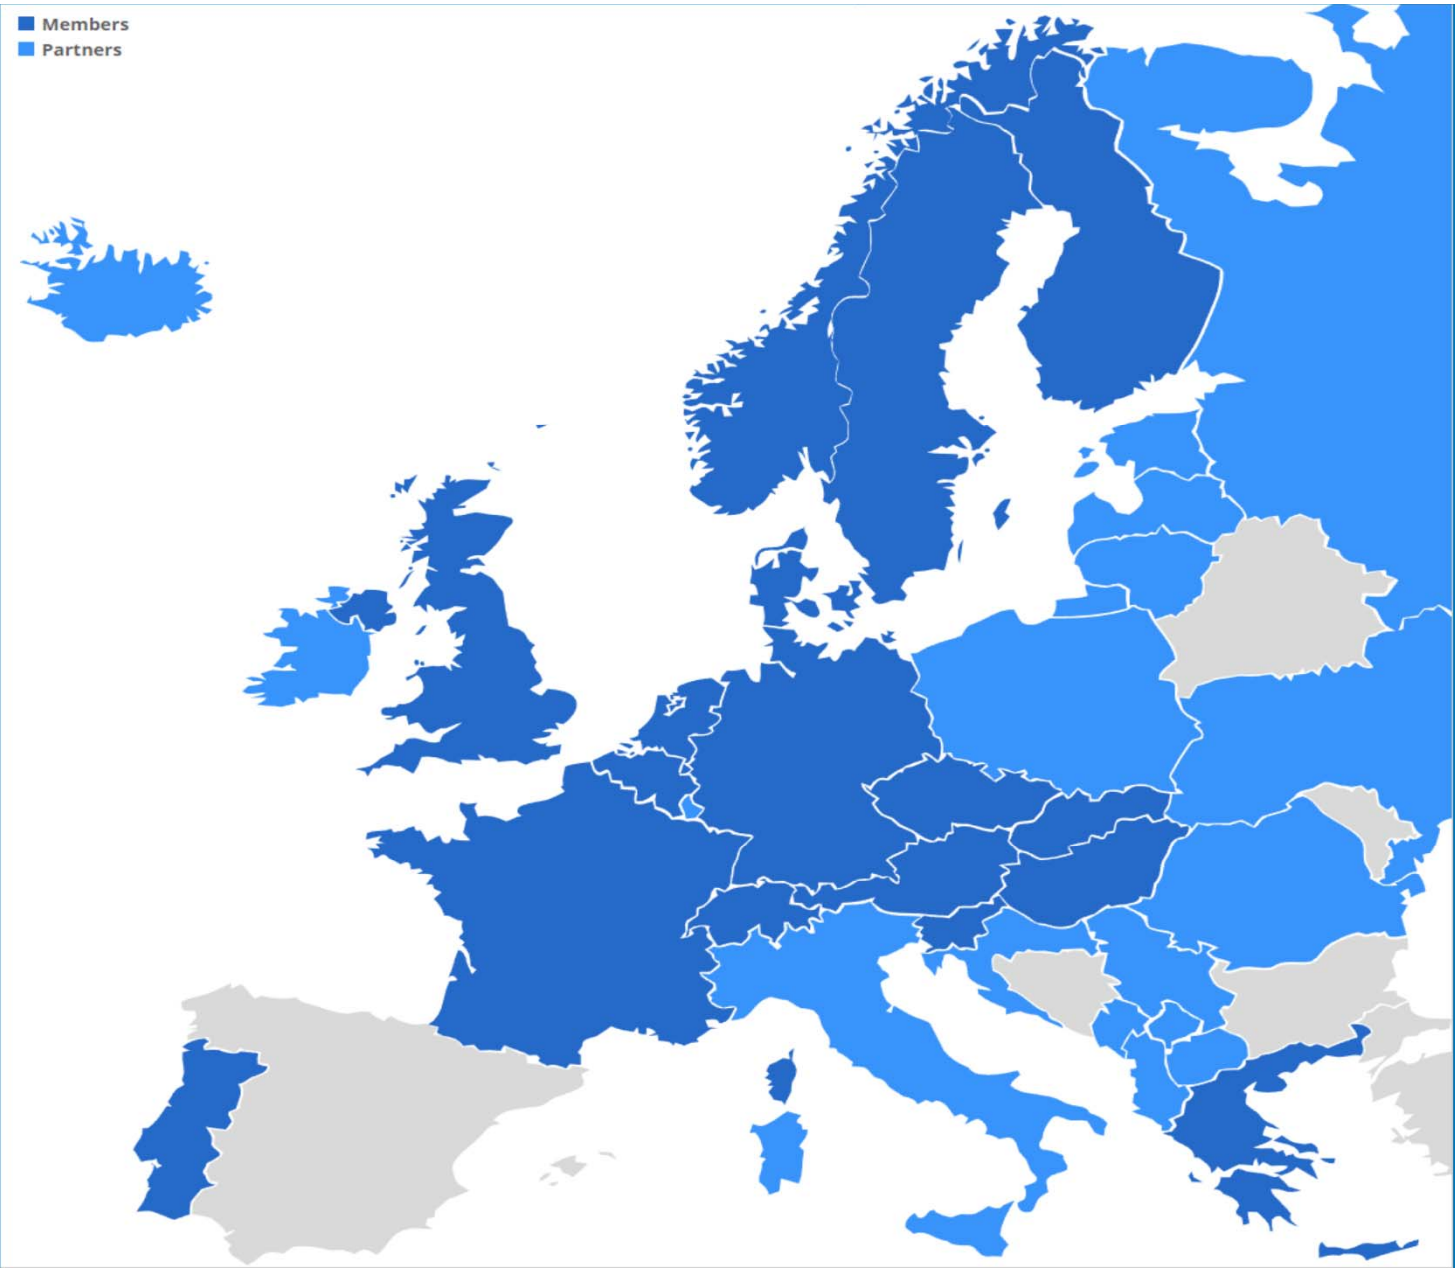

WP3 Strengthening and widening through planning and engagement

- » Task 3.1 – Heuristic maturity development model (DANS - Mike)
- » Task 3.2 - Audit of current status of data archive services in each ERA country (ADP - Janez)
- » Task 3.3 - National development plans for data services in the ERA (FORS)
- » Task 3.4 – Strengthening and widening through expanding the data perimeter (CNRS; CSDA among partners)
- » **Selected essential outputs**
 - » CESSDA SaW Database - target countries and contacts (GDrive CESSDA SaW - WP1):
<https://drive.google.com/open?id=1r6lgxBBWDSGN61Qz9WskAUAISh6oUjaw8iDyOLaznfw>
 - » D3.1 Model: http://cessdasaw.eu/content/uploads/2017/11/D3.1_CESSDA_SaW_v1.0.pdf
 - » D3.2 Country reports:
http://cessdasaw.eu/content/uploads/2017/11/D3.2_CESSDA_SaW_v1.3.pdf

WP4 Strengthening and widening through

knowledge exchange - Development of the necessary administrative, technical, and methodological support needed to establish and develop data archives

- » Task 4.1 - Development Support: Training - webinars, tutorials, trust workshops and more (GESIS)
- » Task 4.2 - Development Support: Administrative, technical, and methodological support resources, policies, functional model (NSD)
- » Task 4.3 - Development Support: achieving the Data Seal of Approval (DANS)
- » Task 4.4 Development Support: Establishing the necessary conditions for creating new or reinforcing existing social science data services (DANS - Mike)
 - demand/supply of development support services; pilot; sustainability & funding models
- » Task 4.5 - Establishing a CESSDA partner network and a wide collaborative environment among European data service
 - integration, pan-European coverage including non-members (TARKI)
- » Task 4.6 Benefit/cost advocacy programme

MEMBERS & PARTNERS

cessda eric

CESSDA WP on Widening Activities 2018

» Reasoning

- » CESSDA priorities (pan-European coverage), long term efforts
- » follow up of past developments (CESSDA SaW, SERSCIDA, SEEDS)

» Objectives

- » to foster the Network of CESSDA Partners
- » to help disseminating existing CESSDA support services
- » to develop knowledge about non-member SPs and emerging archiving activities
- » disseminating existing CESSDA support services
- » o increase CESSDA visibility in non-member countries

» Target groups

- » CESSDA aspiring non-member SPs and other archiving activities in Europe;
- » CESSDA management and CESSDA support and tools developers.

» Team

- » CSDA, FORS, ADP, TARKI, DANS, SND

1. Overview of the available sources for data service building and knowledge and capacity development

- » Review of tools, documents, support services, and other results relevant to widening
- » Development of a guide into the resources
- » Gap analysis based on feedback from non-member SPs
- » The guide will be integrated into the Knowledge Sharing Platform

- » Lead by FORS; 4.5 PMs

2. CESSDA Widening Workshop 2018

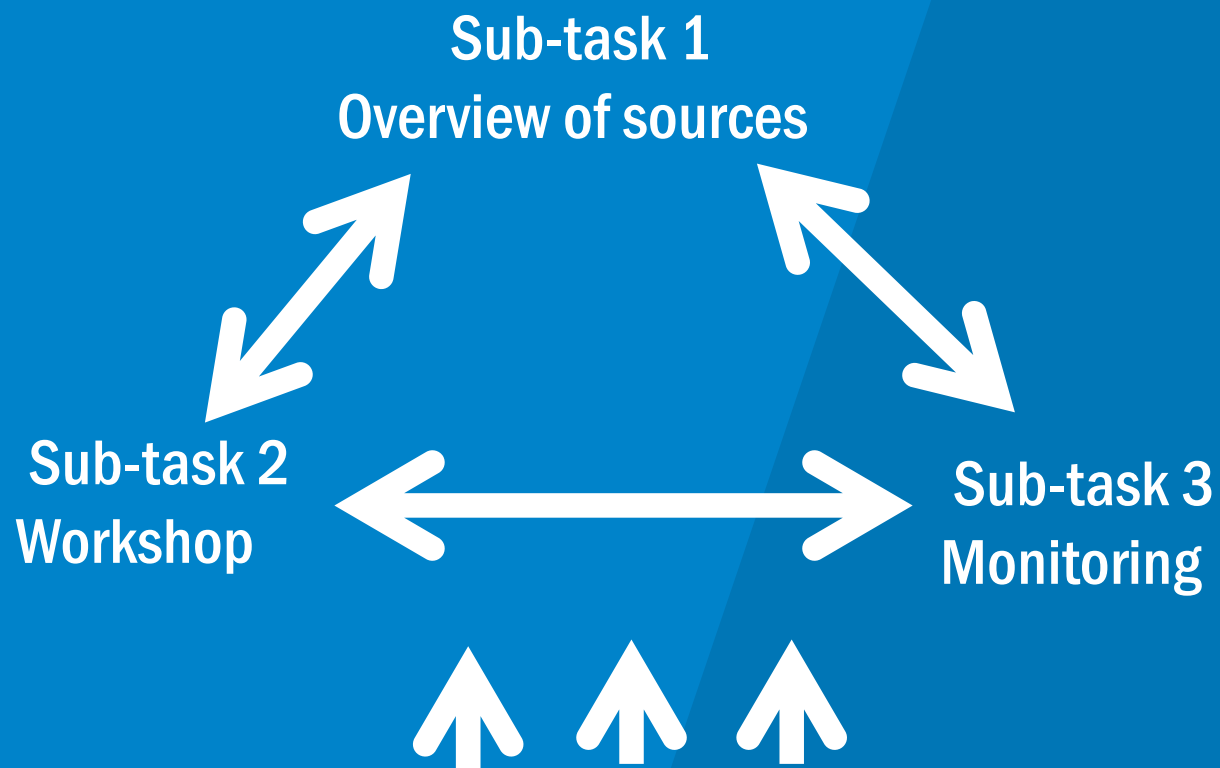

- » 1.5 day event; approx. 30 participants
- » Target groups
 - » Non-member SPs
 - » CESSDA ERIC MO, CESSDA developers and service providers
 - » Ministerial representatives: former CESSDA AS GA , aspiring members based on recommendations from MO
- » Content
 - » Promotion: benefits from CESSDA ERIC membership;
 - » Widening strategies; State-of-play and recent developments at CESSDA Partners;
 - » CESSDA support for data service building - feedback from both, recipients and providers
 - » Platform for meeting in between non-members, CESSDA MO and providers of CESSDA support
- » Lead by CSDA; 5.5 PMs; 24 k EUR for organisation and invitations

3. Setting up a system of monitoring of the state-of-play at non-members

- » Development of a monitoring system
(to offer it to CESSDA for purposes of future continuous monitoring)
 - » Regular short surveys at CESSDA Partners
 - » Living document, which will be continuously updated
- » 1-st monitoring survey
- » Report on recent developments (based on information gathered at the workshop and survey)

- » Lead by ADP; 3.5 PMs

SUB-TASK 2. CESSDA Widening Workshop 2018

- » Two meetings instead of one - Paris Widening meeting in spring 2018
 - » Differences?
 - » Links?
- » Target groups?
 - » Non-member SPs; CESSDA ERIC MO, CESSDA developers and service providers; Ministerial representatives: former CESSDA AS GA , aspiring members based on recommendations from MO
- » Content?
 - » Promotion: benefits from CESSDA ERIC membership; Widening strategies; State-of-play and recent developments at CESSDA Partners; CESSDA support for data service building - feedback from both, recipients and providers; Platform for meeting in between non-members, CESSDA MO and providers of CESSDA support
 - » Links to other sub-tasks (collection of feedback/dissemination)?
 - » Other - training, co-operation with the training group/trust group?
- » Timing?
 - » Plans for other CESSDA meetings, training events, etc.?
- » Location?

Technical

- » Mailing list
- » Budget allocation and advanced payment
- » Reporting, timesheets
- » Project meetings
 - » Can be called by both project lead and sub-task leads
 - » Close co-operation with CESSDA ERIC MO
 - » GoToMeetings or other?
- » GDrive or other?
- » CESSDA ERIC templates at the Dropbox:
