Questionnaire

Social networks

Dear Sirs,

In front of you is a survey on the security of users on social networks (e.g., Facebook, Twitter, Instagram, Snapchat, WhatsApp, Telegram, Tinder) conducted at the Faculty of Criminal Justice and Security at the University of Maribor. Estimated time to complete the survey is 2–3 minutes.

Participation in the research is voluntary and anonymous while the data will be used exclusively for research purposes.

If you are taking the survey via a smartphone, note that each set has 3 questions. After selecting an answer, the next question in the set is automatically displayed. Tip: Turn the smartphone horizontally.
